

RAINFOREST GRIZZLY BEAR ECOTOURS

From 1 to 30 September 2010

Take a Guided 12 Km Hike Through The World's Only Ancient Inland Temperate Rainforest for Biodiversity, Wildlife, Mountain Scenery, Recreation, Education, Photography, Relaxation, Aesthetics, and Then Watch up to 25 Grizzly Bears Feeding*.

Requires 6-hr moderate mountainous hike, two night's remote camping gear, and 4-hr return hike.

Spaces are very limited; conditions are remote and rugged, but not strenuous.
Ecoguides explain nature in old-growth wilderness settings.

Reserve the 3 Days You Want Your Ecotour Before 1 July 2010
